Dear Mr. Schneider;

In response to your letter of July 8, 1983, I wish to advise you, that at the time I sold Tonelli material (lead dross), I did not have any knowledge of their method of ways of disposal of any materials. I have not sold any materials to them since 1984.

Being the fact that I am a one man business I would be unable to participate in any steering committee.

However, I would like to have more information on the above matter.

YOURS TRULY,
TED AXEL
